Statistik SSB,  
SCB, DS

Terminal  
operators

# Overview Portit integration engine

# Standards are important

- It is important to use standards
  - It will be easier to communicate with more partners.
  - A standard have been tried out
  - Save costs
- Use Communication Agreement
- Use Application Agreement
- Integrations will save manual works
- Integrations will improve data quality
- Integrations helps you doing business

# Avslutning
